

South Metro ATV Club

Club Goals:

1. Support the continued growth of our sport through trail development, education and responsible riding.
2. Hold organized club rides and events.
3. Support ATVAM so we have a voice in decisions made at the government level.
4. Inform the public about regulations that may impact our riding privileges.
5. Provide certified DNR Safety Training.

History:

The South Metro ATV Club was started in 2005 by a group of ATV enthusiasts with a goal of developing riding opportunities for area riders. The club continues to grow at a healthy rate and is supporting the sport of ATV riding in Minnesota for everyone to enjoy.
